The following is an examiner's statement of reasons for allowance: The prior art does not disclose a drop away arrow rest including a housing having a hollow interior; a shaft having an exterior segment supporting an arrow support, and an interior segment rotatably supported in the housing; a thumbwheel mounted on the interior component of the shaft, to rotate the shaft and arrow support; and a cord extending between the thumbwheel and bow string, so that pulling the string will rotate the shaft and support to a vertical position.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

* * * * *

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
